Open to all those in year 9 and above, our Autumn Youth Gather will take place on from 11am - 5pm on Saturday 23rd October in the beautiful grounds of our retreat centre Walsingham House at Abbotswick, just outside Brentwood.

BE INSPIRED

John Pridmore has spoken to young people all over the world about his incredible conversion from a life of organised crime in London's East End. His inspiring talks bring hope and teach us we are all capable of changing our futures.

BE CHALLENGED

If you think you're up to it, there will be a variety of energetic outdoor activities including Climbing Wall, Assault Course and Bungee Run - so come suitably dressed and prepared!

BE MOTIVATED

Leila Bousbaa is a former Walsingham House Volunteer, BCYS Lourdes Young Person and Leader, with extensive experience on climate issues, talking about the Catholic response to climate change.

There will be drinks and a tuck shop with refreshments to purchase throughout the day, but we do ask that you provide a packed lunch (in the spirit of Leila's talk, it would be great if you could think about using reusable or recyclable products!)
